west virginia community action partnership

- The West Virginia Community Action Partnership is comprised of 16 agencies providing services in all 55 counties throughout the Mountain State.
- The Community Services Block Grant (CSBG) supports many anti-poverty programs – targeting the root causes and conditions of poverty.
- "Community Action changes people's lives, embodies the spirit of hope, improves communities, and makes America a better place to live. We care about the entire community, and we are dedicated to helping people help themselves and each other" (Community Action Promise).
